Testimonial

“We had Bella do our siding, soffit and facia, gutters and downspouts. These guys did a fantastic job and we are completely satisfied. These guys will beat most other contractors in price too. Saved ten grand by getting several bids and going with Bella. Would highly recommend them.”

We Would LOVE to Meet You...

Thanks for voting us Best of The Best Kitchen/Bath 14 Years in a row

As the owner of Tri County Kitchens I would like to begin by offering my heartfelt appreciation for the overwhelming support of our business by voting us into the best of the best for the 14th year in a row!

I’m often asked to what we attribute our success. When we started our business in 1984 I told my amazing wife, who works side by side with me, we need to arrive on time, return calls promptly, and do what we say we are going to do.” Now, more than ever, it seems that these simple golden rules of customer service need to be followed as many business often neglect them.

We specialize in problem kitchens and unique designs, treating each job as if it were our own. I can honestly say I am as excited about every project we do today as I was when I began designing nearly 40 years ago. I believe that combining this passion with the area’s best pricing, completing most installations in a timely manner*, and the fact that we supply only all wood cabinets (No particleboard!) gives us the edge. We have quality products to fit all budgets.

*granite countertops generally require additional 10 business day turn around time.

We are designers. I believe that if I was to say there was a single word to sum up our great story it would be patience. Our industry has exploded with products and options and we are determined to take the time to explain all the pros and cons of different designs and materials available. We even have two full time interior designers on staff to assist our clientele with their selections.

We are very proud of our referral book of over 8,500 satisfied customers, for which you are welcome to review. The reason I feel that we receive this recognition EVERY year is because of the relationships we build. I thank you once again for your votes and if you’re just learning about us, please stop by our showroom so we can get acquainted.

Thank You, Todd

THANK YOU FOR VOTING US ONE OF THE BEST

Our membership is continuously growing!

In 2018, we added a Marion Engine to our fleet, purchased with FEMA grant funds. All apparatus, tools, and equipment fit nicely into our newly constructed station where monthly, in-house trainings are held. In addition to our local responses when dispatched by 911, we have a highly trained forestry team, Spooky Mountain Wildland Forestry Crew, that responds in the surrounding area and beyond.
